ABOUT US

UNAM

NATIONAL AUTONOMOUS UNIVERSITY OF MEXICO

Founded in 1551, UNAM is the oldest University in the continent, which substantive functions are teaching, research and culture dissemination.

UNAM IN FIGURES

+355,000 STUDENTS

+41,000 PROFESSORS AND RESEARCHERS

More than 644,000 participants in the counting education courses.

More than 13,500 cultural and artistic activities gathering 2.8 million people.

26 museums, 5 national schools, 34 institutes, 14 centers and 10 programs in the fields of sciences, humanities and arts.

UNAM HAS ITS OWN:

- film school,
- radio station,
- TV channel,

Considered one of the largest book publishing house in Latin America (6 books printed daily).

UNAM-Boston intends to enable the UNAM to become
**THE HUB OF SCIENCE,
TECHNOLOGY AND INNOVATION**
of Mexico in New England and the North Atlantic USA.

OBJECTIVES

- 1** Disseminate Mexican culture.
- 2** Academic exchange with foreign higher education institutions.
- 3** Student and faculty mobility.
- 4** Provide support to the Mexican communities overseas.
- 5** Spread teaching, evaluation and certification of the Spanish language.

LIVE THE UNAM

6,843 International students

1,825 Scholars from foreign institutions

**14 Centers for Mexican Studies
in 4 continents.**

Focused in strengthening the multiple existing research collaboration between faculty, post-doctoral fellows, graduate and undergraduate students from UNAM and different universities around the world, exploring new possibilities of academic, scientific and cultural collaboration.
